

## 3D Ultrasound at

We are excited to announce a limited number of 3D ultrasound slots are available in our office for patients between 27-32 weeks. Details include:

### **ECW 3D US Package - \$150**

- 30 minute 3D ultrasound session
- Digital picture jump drive containing all the high-resolution 3D digital images from your session, perfect for printing and emailing to family
- One follow up ultrasound at no cost if baby is not cooperating for pictures. *It is suggested that you eat or drink something sugary before your appointment to help get baby moving*

**Call us at 901-522-6910 to schedule your appointment today!**
